Fun Day

Following the success of our International Day, we have decided to hold our summer Fun Day in a similar way. It will be held on a Friday rather than the traditional Saturday we used to do pre-covid as this gets the highest attendance of pupils. The date has been set as Friday 8th July. Details will be shared nearer the time.

School Streets

One of the local residents has politely asked if we could send a reminder out about bikes and cargo bikes not blocking pavements, driveways and parked cars.

September Return Date

Year 1 to 6 (and children currently in Nursery who are staying in Nursery) will return after the summer break on Monday 5th September. The new Reception classes will start on Wednesday 7th September, and new children in Nursery will be given individual start dates.

Activity Clubs

As you know, activity clubs run for ten weeks. Please refer to my original letter with details of the last club date for each individual club as they vary from club to club.

Holidays

A reminder that we will not authorise holidays during term time.

Have a wonderful half term break and see you back in school on **Tuesday 7th June.**

International Day

A big thank you to everyone involved for making our International Day such a success. Here are a few pictures from the day, kindly taken by Carl Gibbons, one of our parents.

International Day
