Activity Clubs

We are currently experiencing a high rate of staff sickness, as is the case across the education sector and beyond at the moment. Due to this staff absence, we have had to cancel a number of activity clubs this week and last week. We have decided that we will credit your accounts for the amount paid for these sessions so that next term you will only need to pay the remaining balance, eg we cancelled 2 of the Monday football clubs, so next term you will only need to pay for 8 out of the 10 sessions. The correct number you need to pay will show up on Scopay when you log in.

Christmas at WTW

Please see a reminder on page 4 for all the details of what will be happening over the next couple of weeks at WTW.

Winter Fair

This will take place on Wednesday 7th December at 3:30-5:30pm.

KS2 Disco

The School Council are organising a disco for KS2 children (Years 3 to 6) on Thursday 8th December 5-7pm. If your child would like to attend, please return the letter and the £2 if you have not already done so.

Christmas Shows

Thank you to those of you who have already responded to the Google Forms survey. If you have not already done so, please see previous email.

We always do a day and evening performance of the KS2 show. It is really important that all children attend both, even if you as their parents/carers are watching the daytime performance. Please let your child's class teacher know as soon as possible if for any reason your child is not going to be back for the 7pm show. However, we would hope that all KS2 children will be there. We will let you know the arrangements for dropping off and collecting your children.

Early Years Show—Coffee and Mince Pies

Before the Early Years show on Friday, the PTFA will be selling coffee and mince pies. This is an opportunity for parents to get to know each other and meet some of the PTFA. Served 9-10am in the small dining hall.

What's been happening at WTW

The new Reception outdoor learning area has been completed and the children have loved using this much-improved space. It now means that the Reception children will have outdoor learning space in all weathers.

Year 6 attended Into University last week. This whole week programme aims to get children thinking from an early age about the options available to them in terms of going to university. It ended with a graduation ceremony at St Mary's University, which many parents and carers also attended. As part of this week, they also visited the RAF Museum where the children had the opportunity to go in an aircraft simulator.

What's been happening at WTW (continued)

Year 5 took part in an inter-generational project organised by the Old Vic. Over the last few weeks the Year 5 class have invited a group of residents over the age of 55 from the local community to come in and sing Christmas songs together. This culminated in a performance in the foyer at the Old Vic Theatre. This was such a wonderful project to be part of and it was lovely seeing the children and local residents come together for this.

A group of Year 5 mathematicians have been going to sessions at Kings' College Maths School. In these sessions they have been working on some very advanced maths projects and challenges, and we are really proud of how hard they have all worked each week.

Year 2 visited Windsor Castle last month and all had a very enjoyable day.

Christmas at WTW

Christmas Shows

Nursery and Reception: Friday 9th December at 10am

Years 1 and 2: Wednesday 14th December at 9:45am and 11am

Years 3, 4, 5 and 6: Tuesday 13th December at 2pm and 7pm

Please note that due to our small hall, we will be doing two performances of the KS1 show and two for the KS2 show in order for all parents to be able to attend. Please make sure all KS2 children return for the 7pm performance.

Christmas Lunch

**This will be on Thursday
15th December.**

Class Parties

These will be on the last day of term: Friday 16th December. Class teachers will let you know about how you can contribute to this (with donations of food) nearer the time.
