Dear Parents and Carers:

Welcome!

We would like to welcome back our children from last term and also the new children and their families who have just joined our nursery. We are looking forward to building a great partnership with you and your child.

Our learning focus for this term will be 'Where We Live' We will be thinking about what our homes look like, who lives with us and what other friends homes look like.

We will be drawing pictures of our homes and our families, alongwith making new homes with different art and craft materials. We will also be using shapes to build houses with building blocks and bricks.

**\*To help us with this topic, if you could take a picture of the outside of your home as we will use these to build our topic display. \***

Our goal in our nursery is to create an environment of happy, confident, creative and independent children that are excited to explore and learn. This is only possible through team work between school and home. Please let us know of any information which you feel is helpful for us to support your children in their well-being and development. If you need to contact me regarding your child's education or well-being, please email me. (dsadiq@wtwschool.co.uk)

Please remember that the school day is 8.45am until 3.30pm for the full time children and 8.45am-11.45am for the morning children. Afternoon sessions run from 12.15pm until 3.30pm.

Please ensure your child has a named water bottle in school at all times. These can be purchased from the school office or online.

We love reading in nursery and we want all our children to love reading too! We will place a table outside the nursery each home time and if you would like to borrow a book to take home and share with your child please feel free to choose one together. Please return any borrowed books before choosing a new one. Book bags can also be purchased via the school office or online.

It is vital you let us know in advance either during drop off or by phoning the school office if someone unfamiliar is collecting your child. We will not allow anyone we don't know to collect your child from nursery. This is especially important with lots of new faces to meet at the moment.

As a reminder, our nursery/school has a no nut policy. This means that children will not be allowed nuts in any form in their pack lunches. As we encourage healthy eating throughout the day, can we also avoid having any sweets or sugary/fizzy drinks in packed lunches.

Lastly, please place a bag of spare clothes on your child's peg just in case we need to change them during the day. A couple of changes would be great!

We are looking forward to a great term together.

Best Wishes,

Dannie, Serena, Amandla and Diamond
