International Day

We are really looking forward to our International day celebration on Friday 26th September. The children will be enjoying a range of activities all day in school and our after school celebration will run from 3.30pm until 4.30pm.

We are asking for your support so we can come together, share some food and celebrate our wonderful school community in true WTW fashion!

We would greatly appreciate donations of food and would love dishes from as many places around the world as possible. However, please remember that;

Food has to be completely nut free.

- **All ingredients must be clearly listed.**
- **If it is a traditional dish from a country or culture, please let us know where by labelling the dish.**
- **We cannot reheat any food.**
- **If you cannot make the after school event but would still like to contribute, food can be brought into school during morning drop off.**

We will have a live steel drum performance during the event which you can enjoy while sampling a range of delicious dishes and refreshments! We are looking forward to celebrating with you!

PTFA Meeting

The PTFA are holding their first meeting of the year on Thursday 2nd October at 9am. All parents and carers are invited to this. This is an opportunity to meet new and existing PTFA members and to discuss and plan some of the events we have planned for the year ahead.

Christmas (I know it is only September!)

You will see on the next page some of the key events for the autumn term, including dates for the Christmas Shows. As we have grown to a fully two-form entry school, we no longer are able to fit all of KS2 onto the stage (and 8 classes worth of parents and carers into the hall!). We have therefore opted for a Christmas Show for each individual year group in KS2 on separate days. Parents and Carers are all welcome to these shows and they will be recorded and shared with you via Google Classroom as normal.
