

Nursery Autumn 1 Newsletter

Dear Parents and Carers:

Welcome!

We would like to welcome back our children from last term and also the new children and their families who are joining our nursery. We are looking forward to building a great partnership with you and your child.

Our learning focus for this half term will be 'All About Me'. This is the perfect opportunity to get to know everyone, talk about our feelings as we settle and readjust to nursery life and make friends. We will be reading lots of book about starting school, using puppets, talking about ourselves, our feelings and families and developing confidence to ask for help from our teachers when we need it.

Our main focus for this half term is happy, settled children who can navigate the learning environment and who feel safe and secure with us.

This is only possible through team work between school and home. Please let us know of any information which you feel is helpful for us to support your children while they settle. If you need to contact me regarding your child's education or well-being, please email me: ssmart@wtwschool.co.uk

Also, please always let me know if you have any questions or concerns. We are here to help!

Any urgent messages that need to be dealt with on the same day must be telephoned through to the school office as I may not access my emails during the school day.

Please remember that the school day is 8.45am until 3.30pm for the full time children and 8.45am-11.45am for the morning children. Afternoon sessions run from 12.15pm until 3.30pm.

Please ensure your child has a named water bottle in school at all times. These can be purchased from the school office or online.

It is vital you let us know in advance either during drop off or by phoning the school office if someone unfamiliar is collecting your child. We will not allow anyone we don't know to collect your child from nursery. This is especially important with lots of new faces to meet at the moment.

As a reminder, our nursery/school has a no nut policy. This means that children will not be allowed nuts in any form in their packed lunches. As we encourage healthy eating throughout the day, can we also avoid having any juice in water bottles and sweets or sugary/fizzy drinks in packed lunches.

Lastly, please place a bag of spare clothes on your child's peg just in case we need to change them during the day. A couple of changes would be great!

We are looking forward to a great term together.

Best Wishes,

Sharon, Amandla, Priscilla and Serena
